## Open science trainer's corner

Do you organise Open Science trainings yourself or are planning to do so? On this page you can find a set of materials that offer some inspiration or help you to get started in the first place. Take a look and adapt or re-use the resources for your own trainings.

### The Open Science Training Handbook

This handbook brings together methods, techniques and practices, to support educators of Open Science to create high quality and engaging trainings. It is available under [Creative Commons Public Domain Dedication \(CC0 1.0 Universal\)](#). You do not have to ask our permission to re-use and copy information from this handbook.

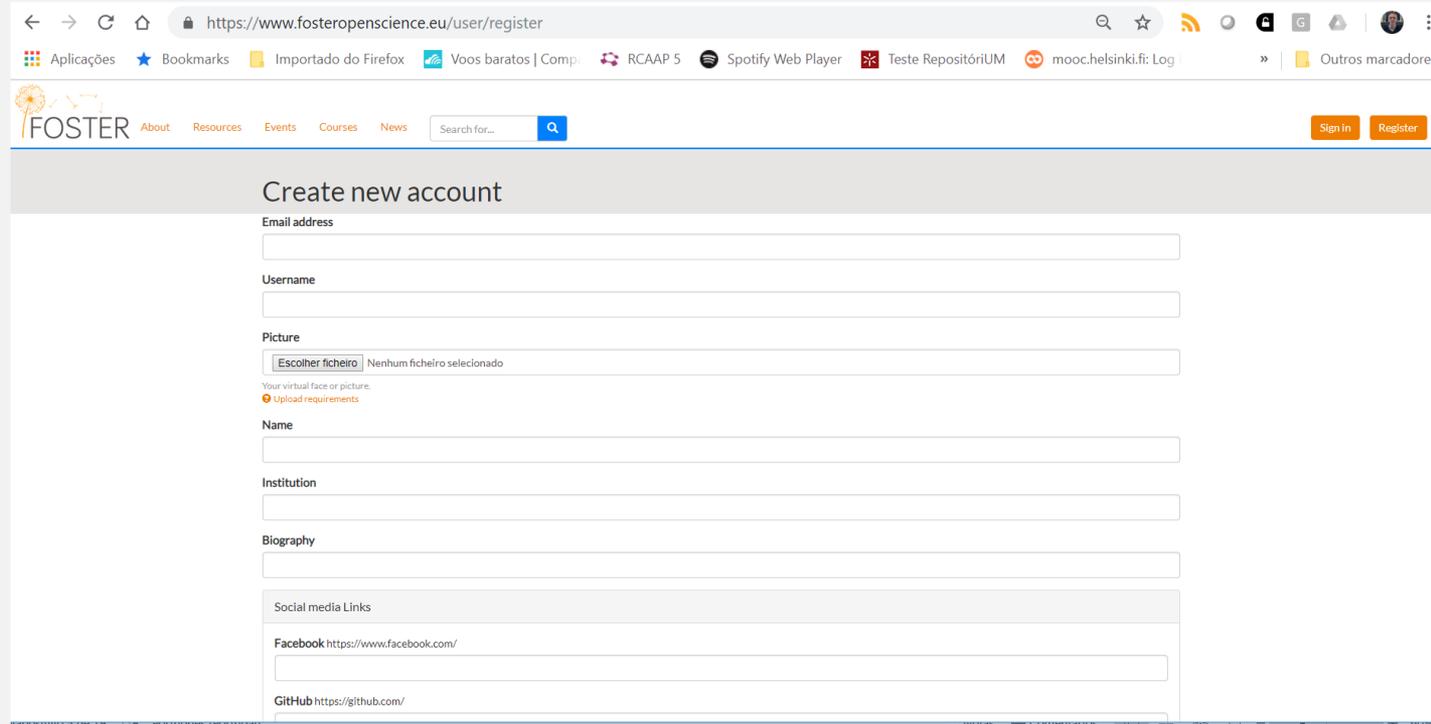

- Access the Open Science training handbook [here](#).

# Registem-se no FOSTER

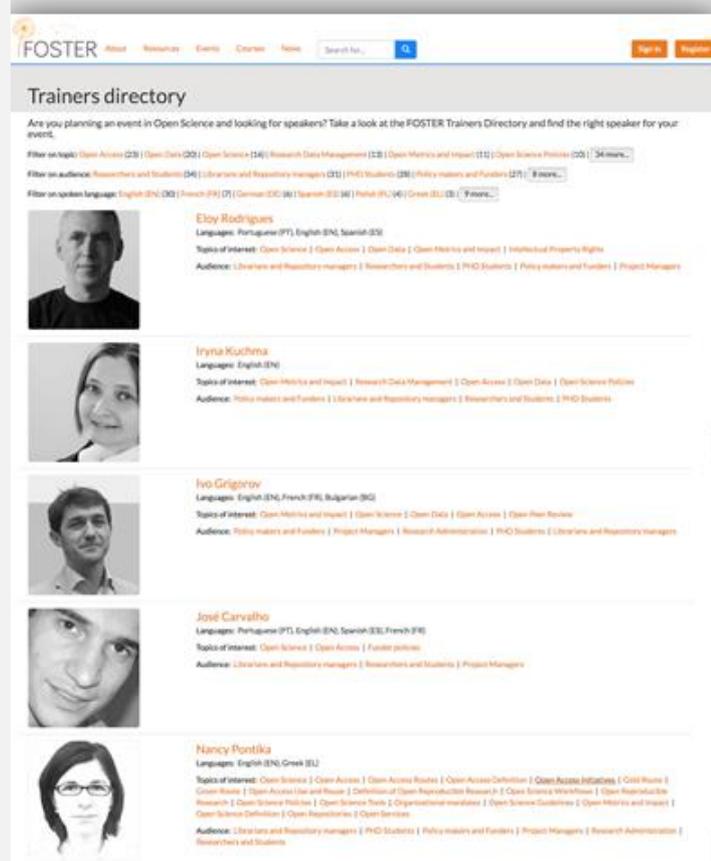

The image shows a browser window displaying the registration page for FOSTER. The browser's address bar shows the URL <https://www.fosteropenscience.eu/user/register>. The page header includes the FOSTER logo, navigation links for 'About', 'Resources', 'Events', 'Courses', and 'News', a search bar, and 'Sign In' and 'Register' buttons. The main content area is titled 'Create new account' and contains the following form fields:

- Email address**: A text input field.
- Username**: A text input field.
- Picture**: A file selection area with a button labeled 'Escolher ficheiro' and the text 'Nenhum ficheiro selecionado'. Below it, there is a note: 'Your virtual face or picture. Upload requirements'.
- Name**: A text input field.
- Institution**: A text input field.
- Biography**: A text input field.
- Social media Links**: A section with two sub-fields:
  - Facebook**: A text input field with the placeholder 'https://www.facebook.com/'.
  - GitHub**: A text input field with the placeholder 'https://github.com/'.
